支持社區參與 Supporting Community Engagement

我們支援地區康健中心、非政府組織和長者中心，通過關鍵績效指標和報告生成工具，促進社區參與和機構決策。

We support local health centers, non-governmental organizations, and elderly centers by promoting community engagement and institutional decision-making through key performance indicators and report generation tools.

全面護理管理 Comprehensive Nursing Management

我們以整合日常活動、跌倒檢測和追蹤生命體徵提供全面的老年護理解決方案。

We provide comprehensive elderly care solutions by integrating daily activities, detecting falls and tracking vital signs.
